The customer states that the property has an irrigation system that is active and fully functional. Foxscapes is not liable for any damage to the system that exceeds \$150. The customer must have all heads, valve boxes, and any additional portion of the system marked prior to Foxscapes beginning work, Foxscapes will provide flags upon request. In the case the Customer does not have the system marked, Foxscapes will add an additional \$100 fee for marking the system. If Foxscapes damages the system and the cost of material and labor exceeds \$150 the additional cost of repair will be reflected on the final invoice. In the case heads, valve boxes, and any additional portion of the system needs to be modified the cost of the modification is to be added to the final bill.
